

Mini Plenary 7

Sanctions, remedies and damage redress

Monique van Oers

Anne-Sophie Delhaise

Stephanie Panayi

Luis García Santos Coy

Javier García-Verdugo

Statement 1

From the enforcer's perspective, a settlement is always to be preferred over a regular fining procedure

Statement 2

Competition authorities should be concerned about compliance and enforcement. The possible effect of their enforcement activities on civil claims are irrelevant

Statement 3

Competition authorities should be transparent on the reasons why they select a certain enforcement tool to deal with a cartel case.

Statement 4

More tools require more skills.

Competition authorities should therefore not go too fast as that may damage their effectiveness

Statement 5

If a tool could be added to the toolbox of my agency,
I would suggest (...)
